Hi all,

Just to give everyone I an update, I have spoken to Paul Byrne (North Melbourne DC) who advised that the express parcels sent by One Nation were handed over to the Command

Centre today at 8 am was advised that the relevant staff would deliver the articles to the individual unit no's today.

Good outcome, thank you all for your assistance with this delicate issue.

Kind regards,

Hi s 47 and s 47

Thank you for your time today, just to recap I am the Account Manager for Pauline Hanson – One Nation Queensland.

One Nation sent 200 express Post articles to the Canning St North Melbourne Tower which arrived at North Melbourne DC today and I understand that they went out for delivery today and they couldn't be delivered because of the security at the complex.

Alex from One Nation advised the articles were "time sensitive and in Public Interest need to be delivered to the residents as soon as they can" and could they be given to the Police to be delivered.

s 47 I understand you are working with Corporate Security to come up with a plan for the express articles including the residents other mail articles to the residents.

The express parcels are all addressed to:

To the Resident and the unit number like below.

<image001.png>

I have advised Alex the express articles were taken to the complex today the Police wouldn't allow anyone to enter and the AP driver was advised the express articles could be delivered to the Community Centre, however the AP driver made a call not to leave the express articles at the Community Centre as there was no secure place to leave them and they could have been lost/stolen.

Can you please let me know the plan to deliver the articles so I can let One Nation know.

Thank you for your assistance in this sensitive matter.

Kind regards,

S 47
