

Re: **Reference 2021-00229**

Application for Documents under the Freedom of Information Act 1982 (the “Act”)

The attached invoices are disclosed in response to Freedom of Information Request 021-00229 (FOI request) which sought the following documents (summarised):

- all invoices over \$1000 on the credit card held in the name of “Christine Holgate” for the period between 30 October 2017 and 31 August 2020; and
- all invoices over \$5000 on the credit card held in the name of the “Office of the CEO” for the period between 30 October 2017 and 31 August 2020.

The FOI Request also sought a summary of transactions made on the above-named credit cards for the relevant periods. Australia Post has previously responded to this limb of the FOI Request, with associated documents lodged on its Disclosure Log on 21 January 2021.

In accordance with requirements of the Act, certain information included within the invoices has been redacted on the grounds that production would result in an unreasonable disclosure of personal or business information.

Six invoices (CH02, CH03, CH05, CH07, CH12, and CH13) have been redacted on the grounds that production would result in an unreasonable disclosure of personal information. These invoices relate to accommodation expenses incurred in accordance with the Remuneration Tribunal approved allowance of \$34,500.00 provided to the former Group Chief Executive Officer & Managing Director, Christine Holgate, for the first 9 months of her tenure.

Please note that attached invoices OC38 to OC41 are for private car services. These invoices included charges that were subsequently paid for by Ms Holgate. Copies of these invoices with the charges removed are provided at OC42 to OC45.

With respect to the credit card held in the name of the “Office of the CEO”, we note that this card was used for a wide range of organisational expenditure, including:

- by authorised administrative staff to pay for goods and services provided by suppliers to Australia Post, where such expenditure had been approved by relevant Australia Post management; and
- in relation to expenditure made on behalf of the Board Chair, the Executive Team, the Office of the CEO, and the Extended Leadership Team.

Dear Christine,

Thank you so much for your very generous donation.

I founded the Charlie Teo Foundation because I want to shake-up the way we raise and use funds for brain cancer research and your contribution will help fund local projects and scientists dedicated to finding a cure.

Our vision is of a world free from brain cancer which is why we fight every day to raise awareness and raise vital funds. We strive to change treatment options, change patient outcomes and increase survival rates.

I believe a better future is possible and this can only be achieved with the help of wonderful supporters like you. Let's do this together. We are going to get there. A world without brain cancer.

Sincerely,

Professor Charlie Teo AM - Founder
